## Huge HD Parts Department

Our Parts Department staff are ASE-Certified Parts Professionals and they actively manage over \$2,000,000 in on-site inventory, which means we stock and can pull parts for most repairs or requests immediately.

In addition to all of that, we are constantly working with our vendors to get better pricing and then pass those savings on to our customers.

## Pre-Owned Truck & Trailer Sales

Our Truck and Trailer Sales division offers a wide selection of certified pre-owned trucks and trailers for any equipment needs you have. We only purchase quality used equipment at wholesale prices and then our mechanics meticulously go through each vehicle to ensure it passes our rigorous inspection process.

This allows us to offer tremendous trucks and trailers ***at great prices.***

To see our constantly updated truck and trailer inventory, visit our website at [www.TurboTruckCenter.com](http://www.TurboTruckCenter.com)

For all sales inquires, contact Mark Free @ 678-450-7800

## Full-Service Commercial Tire Department

Our Full-Service Commercial Tire Department can service all of your commercial tire needs. We carry a large selection of brand name new and used tires, as well as retreads.

We are a Michelin dealer and offer National Account Service. In addition, all of our Tire Service Technicians are TIA Certified. We also offer fleet tire management services to ensure you are getting the best value, fuel economy, and life from your tires.
